Buck

Facility Dog: April 2015

Dear Buck's Handler/ Trainer:

We are students at Buffalo Grove High School (B.G.H.S.) and are writing to say, "Thank You"! Thank you for being Buck's handler and trainer for his therapy dog/ facility dog training. Buck has recently been placed with our teacher and he has been coming to school with her every day for the past month. We are so lucky to have such a great dog like Buck here at school every day! He is so well trained and the most loving dog we know! You did a great job training and caring for him. His favorite part of the day is when students visit, pet, play, and love him. He is a lucky dog and seems to be very, very happy here at B.G.H.S. Not only do students love him, the staff has been really happy to have him here too! Once again, on behalf of all B.G.H.S. students and staff... Thank you!!!

Sincerely, Carlos, Jasmine, Leonard, Shaily, and Ms. Silverman
