**SILK SCREEN SERVICES**

Any designs **NOT** already on file will cost $20.00 per screen to design. Multi-color designs require one (1) screen per color, up to an 8 color design. Each different design requires a separate screen.

Additional print charges for multi-color designs and additional logos must be calculated separately.

Price of item includes one design and single color print. Once a design is made it is kept on file in the silk screen library for a period of two years.

**Types of designs:** full chest, full back, breast patch, sleeve, leg, and 5 panel hats.

4", 6" and 8" numbers are kept on screens for numbering at additional print charges.

TO THE EXTENT ALLOWED BY LAW, ILLINOIS CORRECTIONAL INDUSTRIES MAKES NO OTHER WARRANTY, EITHER EXPRESSED OR IMPLIED. ILLINOIS CORRECTIONAL INDUSTRIES WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.
Fact: Since 1976, ICI has been manufacturing products inside Illinois correctional centers for the purpose of rehabilitating offenders. Each offender employed by ICI learns marketable work skills and valuable work ethics required to gain employment upon release. Every offender who gains employment and does not return to prison reduces the recidivism rate for Illinois and reduces the tax burden placed on its citizens to house, clothe and feed incarcerated offenders.

ICI provides goods and services to state agencies, schools, universities, park districts, county jails, townships and municipalities.
